

Publications (Papers)

- The role of Nesserial infections in recurrent Abortion (Errazi Medical Hournal 1980).
- The relation of Ectopic pregnancy and Intra Uterine devices (1982 RCOG).
- Last Thirty minutes of second stage of labour using cardio Technology (CTG) as fetal heart monitoring compared to first Minute APGAR score (1982 RCOG).
- Modern Management of Breech presentation (Bulgarian) Medical Journal 1989.
- The uses of simple treatment in medical treatment of male infertility Recent Developments infertility and sterility volume 1991.
- The effect of climate on spontaneous abortion in Misurata /Libya Hecsenki 1990.
- The Effect of climate on the Incidence of pregnancy complicated by EPH Gestosis "Perinatal perspectives "L. Kovacs, J. Herezey., B, A, Resch, E.T. Rippmony (1990).
- Misurata operation cheek Medical Journal 1991.
- The uses of Metroniazol Post caesarian section. Cheek medical journal 1990.
- Epideamololgy of Hydatidiform mole in Misurata area "Post gradual Journal 1992".
- Bacteruria in pregnancy snigagor 1991.
- The uses of Human chorionic gonodotrphin in Habitual abortion "Recinent advices in prenatal "medicine 1993".
- The Management of Habitual abortion Greece 1993.

- The uses of Deepest pocket of amniotic fluid in the fetal Monitoring by U/S Measurement. Misurata 1992.
- The uses of vag. U/S in the diagnosis of PID “oedaema sign“, Misurata / Budapest 1994.
- The deferential diagnosis of PID by using Vaginal U/S Hamamat 1995.
- Comparison study between the use of laparoscopy and vaginal U/S in the diagnosis of Ectopic pregnancy Misurata 1995.
- Ultrasound assessment of amniotic fluid Volume by using simple measurement of deepest pool of amniotic fluid which contain no fetal parts “Marrakech 1994“.
- EPH gestosis is seasonal disease Benghazi 1994.
- “Transvaginal songraphy and Pelvic Inflammatory disease Endosonography in obstetrics and Gynecology 1995“.
- The Effect of Tomoxifen Therapy in male infertility on semen parameters and Hormonal levels Dubi 1997.
- Blood Insulin level and body wt. In polycystic ovary Syndome (P.c.o.s) craus Montana 1998.
- Epidemiology of Fetal Neural tube defect in Misurata area. Trip. 1998.
- Neonatal Morbidity in macrocosmic babies Trip. 1998.
- Ovarian cyst Aspiration instead of laparotomy Trip. 1998.
- The Appropriate management of spontaneous rupture of Membrial Trip. 1998.
- Lynestrenol (Exlaton) as oral contraceptive pills in lactating Libyan ladies Trip. 1998.
- The Importance of Prenatal Diagnosis of congenital Mal Formation Misurata 1996.

- The conservative Management of pelvic abscess Trip 1995.
- Monitoring fetal will being in early pregnancy using Beta hcg level in blood. Manama 1996 and Trip. 1995.
- Management of sub mucous Myoma of the uterus using new technique under the gied of U/S 2ed gynecology congress Misurata 1999.
- The uses of Vaginal U/S in the Diagnosis of Endometrial polyp 2^{ed}. Gyn. Congress Misurata 1999.
- Cervical Screening using lytorich Media against conventional smear and colposcopy Misurata sec. Gyn. Congress 1999.
- Value of vag. U/S in the Management of DUB Misurata sec. Gyn. Congress 1999.
- Lynestrenol “ Exluton “ oral contraceptive pills in lactating Libyan Ladies 5th Congress of the European Society of Contraception Prague 17th – 20th 98.
- The Effect of Tamoxafen Therapy in Male Infertility on semen Parameters and Hormonal Level in the blood 10th World Congress on Human Reproduction May 4 – 8 Salvador Bahia, Brazil.
- Progestron – only Contra captives by Lactating Mothers 10th World Congress on Human reproduction May 4 –8 Salvador, Bahia, Brazil.
- Role of health education programs within Libyan community (Easter Mediterranean health journal vol. 5 no 2 1999).
- Ovarian Cyst aspiration in place of Laparotomy 7 years’ Experience (Argentina 99 International u/s congress).
- New technique for managing the submucous myoma (Argentina 99 International u/s congress).
- The uses of tubelon “Laval” as HRT in southern Mediterranean Area (European congress on Menopause “EMAS” July 2000).

- The Effect of Two Different Hormone Replacement Therapy Regimens on post-Menopausal symptoms (FIGO world congress Washington 2000).
- The uses of low dose Aspirin (150mg) in primigravida Reduces the severity and complication of pregnancy induced Hypertensions (FIGO World congress Washington 2000).
- Hormone replacement therapy within A pharmacist specialist services (FIP 2003 Sydney, Australia).
- The role of the community pharmacist in medicines Management (FIP 2003 Sydney, Australia).
- Quinacrine sterilization in Libya (Human Reproduction journal 2003).
- In multiple pregnancy how long, you can wait to deliver the second or third fetus. (4th National Libyan congress in Obst. & Gyn.)
- Effectiveness of intravaginal misoprostol for medical Termination of Missed abortion on Hemoglobin concentration compared with other methods in Shafa clinic. (FIGO Santiago Chile 2003).
- Uses of intravaginal Misoprostol for Management of missed Abortion as a day case in sheaf and Lamis clinic (4th Libyan Obst. & Gyn. Congress Tripoli 2003).
- The value of First polar body morphology as a marker for development and competence of Embryo in ICSI procedure. (4th National Libyan Obst. & Gyn. Congress Tripoli 2003).
- By Using low dose of Aspirin 150mg we can prevent Eclampsia in primigravida. (4th national Libyan congress in Obst. & Gyn. Tripoli 2003).
- Hyperemesis gravidarum in Working women. (4th National Libyan congress in Obst. & Gyn.) Tripoli 2003.
- Induction of Labour using prostaglandin E2 gel vaginally (100cases). (4th National Libyan congress in Obst. & Gyn. Tripoli 2003).

- Surgical Management of cervical circlage failure. (4th National Libyan congress in Obst. & Gyn. Tripoli 2003).
- Hormone replacement therapy use in post-menopausal Libyan Women. (4th National Libyan congress in Obst. And Gyn. Tripoli 2003).
- New pharmaceutical services within the Women's Health care. (4th National Libyan congress in Obst. & Gyn. Tripoli 2003).
- Ultrasound Management of Endometriosis. (3 years' Experience) (4th national Libyan congress Tripoli 2003).
- Mode of delivery and maternal outcome in preeclamptic patients in the year 2004. (4th international congress of the African Society of the organization Gestosis : 25-27/2/2005 Misurata & in proceeding congress book .
- Effect of low dose aspirin on thrombocyte count in pregnancy. (4th international congress of the African Society of the organization Gestosis: 25-27/2/2005 Misurata & in proceeding congress book.
- Assessment of prostaglandin for induction of labour in hypertensive pregnancies (4th international congress of the African Society of the organization Gestosis: 25-27/2/2005 Misurata & in proceeding congress book.
- Cost and effectiveness of Misoprostol for induction of labour. (4th international congress of the African Society of the organization Gestosis: 25-27/2/2005 Misurata & in proceeding congress book.
- Urinary Ca & micro albumin as predictive measures for preeclampsia (4th international congress of the African Society of the organization Gestosis: 25-27/2/2005 Misurata & in proceeding congress book.
- RBCs 'changes in peripheral blood film in hypertensive patients (4th international congress of the African Society of the organization Gestosis: 25-27/2/2005 Misurata & in proceeding congress book.

- By using low dose Aspirin 150 mg we can prevent the complications of pre-eclampsia in primigravida. Volume 1, No. 2 July 2004 Pan Arab Medical Journal is a magazine for medical specialists & GP's.
- In multiple pregnancy how long can you wait under publication Volume 1, No. 2 July 2004 Pan Arab Medical Journal is a magazine for medical specialists & GP's.
- The value of first polar body morphology as a marker for development and competence under publication Volume 1, No. 2 July 2004 Pan Arab Medical Journal is a magazine for medical specialists & GP's.
- Two hormone replacement therapy (HRT) regimens for middle-eastern postmenopausal women. Maturitas, volume 52, Issue 1, 16 September 2005, pages 52-59.
- Missed Diagnosis in Early Abortion (2nd medical congress – Benghazi 16-18 Feb. 2007).
- Randomized controlled trial of the use of vaginal misoprostol for labor induction in multigravida (2nd medical congress – Benghazi 16-18 Feb. 2007).
- Is transvaginal sonography can be used screening technique for endometrial polyp or not? (2nd medical congress – Benghazi 16-18 Feb. 2007).
- Cost and effectiveness of Misoprostol for induction of labour (The 12th congress of the Syrian Society of Obst. & Gyn. 21-23 Nov. 2007
- LATHIKIA Work shop in laparoscopy Syria Feb. 2008 (Management of Ectopic pregnancy).
- The uses of Distenox in the prevention and management of POC syndrome Syria April 2009.
- Estimation Of Maternal Mortality Ratio and Associated Etiology in Misurata (Ben fayd W., Elsraili O., Alsherkaci H., Elmahaishi M.S.) 6th

Libyan Medical congress March 19 - 22, 2009 in the National Medical Research Zawia – Libya.

- Effects of L-glutamine and straw size, freezing rate and thawing rate upon post- thaw quality of human spermatozoa. Aboshala L.M., Danfour M.A, Elsrtaite, O.A and Elmahaishi M.S., Faculty of Science, Faculty of Medicine, 7th October University and Misurata Infertility Centre, Misurata, P.O. Box 65, Libya. (15th World Congress on In Vitro Fertilization & 4th Congress on In Vitro Maturation / Geneva 19-22 April, 2009).
- Relationship between Serum Estradiol level and oocyte and embryo quality from ICSI trials. Masadnah S., Danfour M.A., Elsrtaite O.A., and Elmahaishi M.S. Faculty of Medicine- 7th October University and Misurata Infertility Centre, Misurata, P.O. Box 65, Libya (15th World Congress on In Vitro Fertilization & 4th Congress on In Vitro Maturation / Geneva 19-22 April, 2009).
- Effect of caffeine on human sperm motility in vitro. Elsrtaite, O.A, Danfour M.A, Awin, B.M. Awin, M.M., Awin, Y., Fakron, A. and Elmahaishi M.S. Faculty of Medicine, 7th October University and Misurata Infertility (15th World Congress on In Vitro Fertilization & 4th Congress on In Vitro Maturation / Geneva 19-22 April, 2009).
- Effect of season on fertilization and embryo quality rates in ART. Elmahaishi W.M., Danfour M.A., Elsrtaite, O.A. and Elmahaishi M.S. Faculty of Medicine- 7th October University and Misurata Infertility Centre, (15th World Congress on In Vitro Fertilization & 4th Congress on In Vitro Maturation / Geneva 19-22 April, 2009).
- Active management of 3rd stage of lab using Misoprostol (FIGO Capetown Oct. 2009).
- ICSI outcome for fresh VS thawed cryopreserved surgically retrieved sperms in Azozoospermic men Ben Halim N., Elsrtaite O., Masednah S., Danfour M. and Elmahaishi M. S. (MEFS Meeting 4-8Nov.2009) Cairo-Egypt.

- Evidence for high levels of vertical transmission in *Toxoplasma gondii*. Proceedings of 11th International Congress of Parasitology, 409-415. Hide, G., Williams, R.H., Morley, E.K., Hughes, J.M., Thomasson, D., Gerwash, O., Elmahaishi, M.S., Elmahaishi, K.H., Murphy, R.G. and Smith, J.E. (2006).
- Does vertical transmission contribute to the prevalence of toxoplasmosis? *Parassitologia*, 49, 223-226. Hide, G., Williams, R.H., Morley, E.K., Hughes, J.M., Thomasson, D., Gerwash, O., Elmahaishi, M.S., Elmahaishi, K.H., Duncanson, P., Terry, R.S. and Smith, J.E. (2007).
- Evidence for high levels of vertical transmission in *Toxoplasma gondii*. *Parasitology*, 136, 1877 - 1886. Hide, G., Morley, E.K., Hughes, J.M., Gerwash, O., Elmahaishi, M.S., Elmahaishi, K.H., Thomasson, D., Wright, E.A., Williams, R.H., Murphy, R.G. and Smith, J.E. (2009).
- Human oocyte oolemma characteristic is positively related to embryo developmental competence after ICSI procedure. *Middle East Fertility Society Journal* (2010) 15, 269–273, Mohamed A. Danfour, Mohamed S. Elmahaishi. Faculty of Medicine, 7th October University and Lamis IVF Centre, P.O. Box 65, Misurata, Libya. Received 10 February 2010; accepted 18 March 2010. Available online 5 November 2010.
- Comparison between washing of the oocyte immediately and after one hour in fertilization, and embryo quality outcome. Algmami A.A., Elmahaishi M.S.
- Hemoglobin level at delivery among pregnant woman who have received iron supplement during pregnancy and those who have not received Bader F.M., Elmahaishi M.S.
- Bacterial vaginal infection in pt. follow-up in gyn. OPD. and have response to antibiotic. Shoab M. R., Elmahaishi M.S.
- The benefit of genetic screening in antenatal and neonatal in Libya (15/2/2009).
- Laparoscopy in gynecological emergency acute abdomen (5/11/2010).

- Misoprostol postpartum, Anisa Alati. BMJ 2010.
- Does the Use of Highly Purified Human Menopausal Gonadotrophin (HP-HMG) Avoid Ovarian Hyperstimulation Syndrome (OHSS) in Polycystic Ovary (PCO) Patients in Assisted Reproduction (IVF/ICSI)? A. Elmahaishi, M.S. Elmahaishi* Lamis IVF Center, Misurata, Libya. COGI 2013 Austria Wien.
- Using Multi-Micronutrients Supplement in One Capsule Twice a Day Improves the Sperm Quality and Increases the Pregnancy Outcome A. Elmahaishi, M.S. Elmahaishi* Lamis IVF Center, Misurata, Libya COGI 2013 Austria Wien.
- The effect of two different hormone replacement therapy regimens on postmenopausal symptoms . A. Elfituri · M. S. Elmahaishi · H. Chrystyn.
- Role of health education programmes within the Libyan community .A A Elfituri · M S Elmahaishi · T H MacDonald.
- The Role of Micronutrients in the Treatment of Idiopathic Abnormal Sperm Parameters. Elmahaishi LM1, Abbas AA2 and Elmahaishi MS2.
- Torsion of Non-Gravid Uterus with Huge Myoma, Elmahaishi MS, Elmahaishi HA and Zwawa A. Lamis Clinic for gynaecology and reproductive medicine, Libya.
- The Effectiveness and Tolerability of Globifer Forte (Haem Iron) Tablets on Iron Deficiency Anaemia in Pregnancy Research Article Lamis Clinic and Said Hospital for Obstetrics and Gynecology Misurata Libya. Elmahaishi Wael M, Zwawa Alia A, Elmahaishi Asma M and Elmahaishi MS.
- Posterior distal para-urethral leiomyoma in vergin female patient Zwawa Alia, Elmahaishi Wael, Elmahaishi Hamza, Elmahaishi M.S. Gynecology department, Lamis clinic, Misurata / Libya.

- The Role of Micronutrients in the Treatment of Idiopathic Abnormal Sperm Parameters Elmahaishi LM1, Abbas AA2 and Elmahaishi MS, Lamis IVF center. Lamis clinic. Misurata, Libya.
- Non-Pituitary Down Regulation Protocol for Ovulation Induction in ART (IVF & ICSI) Elmahaishi Asma, Zawawa Alia, Elmahaishi MS Gynecology department, Lamis clinic, Misurata / Libya.
- Use of Globifer Forte (Haem Iron) Tablets against Iron Deficiency Anaemia (IDA) during Pregnancy M. Elmahaishi Wael, A. Zwawa Alia, M. Elmahaishi Asma, M. S. Elmahaishi Current Overview on Disease and Health Research Vol. 9, 13 January 2023 , Page 69-77.
<https://doi.org/10.9734/bpi/codhr/v9/4472A>Published: 2023-01-13
- Successful Pregnancy in Morbidly Obese Women of Polycystic Ovary Syndrome with Various Treatment Options with Individual Consequences: Case Series Hawa Saleh Rezeg, Abtisam Ateeyah Alsaliheen, Elmahaishi MS. Department of Obstetrics and Gynecology, Tobruk Medical Center, Faculty of Medicine, Tobruk University, Tobruk, Libya.
- Risk of ovarian cancer in women using ovarian induction protocols for infertility treatment. Narges R. Ben Halim, Bushra S. Bujaib, Elmahaishi MS American Journal of Medical and Clinical Research & Reviews ISSN 2835-6276.
- Role of continuing regular follow-up of serial B-human chorionic gonadotropin measurements with health education following initial surgical management of complete molar pregnancy cases Hawa Saleh Rezeg, Zwawa AA, Elmahaishi MS American Journal of Medical and Clinical Research & Reviews ISSN 2835-6276.
- Modified non-pituitary down regulation protocol for ovulation induction in ART (IVF & ICSI) Zawawa Alia, Elmahaishi Asma, Elmahaishi MS American Journal of Medical and Clinical Research & Reviews. ISSN 2835-6276.
- Role of routine urine culture in diagnoses of asymptomatic bacteriurea& hence decreasing UTI complication during pregnancy. Narges R. Ben

Halim, Zawawa Alia, Asma M Elmahishi, & Prof. ELMAHAISHI M.S. LAMIS &ELSAID hospital. Misurata / Libya.

- Clomiphene citrate vs Letrozole as first line ovulation induction drug in infertile PCOS women American Mohammed Manar, Elmahaishi Hamza, Elmahaishi MS. American Journal of Medical and Clinical Research & Reviews ISSN 2835-6276. American h & Reviews.
